The diligent work and resolve from our entire community workforce have been momentous. We remain focused to deliver a robust remote servicing experience for our residents as we move forward.

Century Park Condominium 1 has decided to remain in a remote work environment until further notice. Security and Maintenance personnel will have working schedules to ensure the safety and security of our community. Also, our office will be open remotely by e-mail and by phone. If you live alone or have an emergency call 911 or if you need our help, please contact us immediately. We are a CP1 family, so we are together to help each other in these times.
